PRIDE WS PRESENTATION

This category is a creative category open to each contestant's interpretation. Presentation is a chance for contestants to present what makes them proud or their idea of what pride is. It may be delivered in the form of a clothing/modeling category, as a "mini-talent", or any other creative performance to demonstrate an aspect of pride. Five (5) BONUS POINTS will also be awarded to contestants who VISUALLY include an aspect of Winston-Salem as a MAJOR part of their presentation (i.e. landmarks, historical facts/events/things unique to Winston-Salem). Props are allowed, but set-up time and tear down time should be limited to one (1) minute. The set up and break down time is cumulative, not individual. The set up and break down time is not applied to your overall time limit for the category. Presentation cannot exceed three (3) minutes. Contestants must provide their own music. There will be a brief section allowed to the contestants to do a speech to introduce themselves to the judges, and expand on their presentation. Violating the time requirements can result in an automatic five (5) point deduction from each judge's score.

- **Scoring will be based on:**
Delivery (Artistic) -Creativity, stage presence, execution.
- Content (Technical) -Substance, relevance, relates subject to Pride.
- Appearance-Costuming, hair/makeup, accessories.
- Overall Impression-Rated recommendation.

QUESTION AND ANSWER (ONSTAGE QUESTION)

Q&A will be held as part of the Presentation segment but is judged separately. Contestants will be given an opportunity to speak before the emcee proceeds with Q&A. Contestants will select a predetermined question approved by the board of directors of Pride Winston-Salem. The emcee will then read the question out loud twice to the contestant. The contestant will have the option of asking for the question to be repeated by the emcee one time. The contestant will then be given the opportunity to answer the question for the judges and audience.

Scoring will be based on;

- Content -Substantial, relevant, appropriate answer.
- Communication-Effective gestures, voice tone, facial expressions.
- Overall Impression-Rated recommendation.

TALENT

Mr. & Miss Pride Winston-Salem Talent is required to be **SOLO TALENT**. Other individuals may be used only to setup props, hold props in place, and tear down props. No other individual (other than the contestant) shall participate, be featured, or move on or off stage as part of the production. Violating this rule will result in a five (5) point deduction from each judge. Props are allowed, but space will be limited to store them and to set them up on stage. Fire, water, loose glitter or any other potentially dangerous or damaging substance is **NOT** allowed. Talent may not exceed seven (7) minutes. Contestants will be allowed a cumulative set up and break down time of three (3) minutes. Contestants must provide their own music. Violating the time limit can result in an automatic five (5) point deduction from each judge's score.

Scoring is based on;

- Entertainment Value-Impact of talent on judges and audience.
- Stage Presence/Performance -Comfort performing/ability and execution.
- Costuming/Appearance-Creativity, construction/appropriate to talent.
- Overall Impression-Rated recommendation.

Scoring Breakdown;

Scoring will be based off the USofA style scoring system. This is a ranking system.

In the event of a tie, judges will choose the highest scoring talent. If there is a tie in talent judges will then default to the highest scoring onstage question. In the event of a tie in onstage question judges will default to the highest scoring interview. In the event of a tie in interview judges will then default to the highest scoring presentation. In the event of a tie in presentation a new onstage question will be chosen by the judges and judges will then rank contestants based on the new question. Since there are an odd number of judges (5) there will not be a tie.
